

Private Education in a Public School Setting

Mr. Jose Moreno

Executive Director of Business & Student Services

Mr. Moreno, with 16 years working in the School District environment, brings 14 years of School District finance experience. Prior to joining the Riverside School District family Mr. Moreno served as the Financial Services Supervisor for the Roosevelt School District No. 66. While at Roosevelt School District he also served as the Interim Chief Financial Officer, Business Technician, Payroll Bookkeeper and School Attendance Clerk. Having climbed up the “School District ladder,” Mr. Moreno brings a wealth of knowledge and expertise in the school finance field. Such areas include Budget and Finance, Grants Management, Purchasing, Accounts Payable, Payroll, Fixed Assets and all other areas associated with the daily business operations of a school district.

Mr. Moreno began his School Finance career immediately after his honorable discharge as an enlisted member of the United States Marines Corps, in which he rose to the rank of Sergeant, E-5, in January of 1994. His Military Occupational Specialty in Personnel Administration prompted his interest to pursue a similar field after his discharge thus, School Attendance Clerk.

Mr. Moreno majored in Aeronautical Engineering at Arizona State University before his sense of duty, and long child dream, prompted him to join the United States Marine Corps to serve his country. He also attended Glendale Community College in pursuit of his Accounting degree while a Marine Reservist and full time employee at Roosevelt School District.
